Kala KA-15S

Soprano Wooden Ukulele. This is a standard ukulele that we use in class. Very nice sound and perfect size for the beginning student. This ukulele does not come with a case.

KA-15C

A concert ukulele is slightly larger than a soprano. The larger the instrument the deeper the tone. This is a nice size between the tenor and soprano. This ukulele does not come with a case.

KA-15T

A tenor ukulele is the largest in which we use. Being bigger it has a deeper sound than a soprano and concert ukulele. A great fit for someone with larger hands. This ukulele does not come with a case.

Kala Waterman Soprano

There are a variety of colors to choose from. This is a durable instrument and sounds good compared to its wooden counterparts. This ukulele comes with a tote bag.

Kala Waterman Concert

This instrument is a slightly bigger version of the Waterman Soprano Instrument. This ukulele comes with a tote bag.
